Greetings Dean Fey-Yensan:

I am requesting approval to award a posthumous degree for Anneliese McCain (800661550) during the May 2013 commencement. Ms. McCain passed away this past Summer on July 22, 2012. She was planning to graduate in May 2013 with a BS in Public Health (BSPH) degree.

Ms. McCain has met the criteria for the awarding of a posthumous degree according to the "UNC Charlotte Academic Policy on Posthumous Degrees." She was a senior in the College of Health and Human Services, enrolled for the Ten-Week Summer 2012 term, earned more than 100 hours towards the BSPH degree (120 hours), and a 3.0+ GPA which far exceeds the minimum 2.5 GPA requirement. The BSPH faculty has no objections to posthumously award the degree of Bachelor of Science in Public Health to Anneliese K. McCain.

Please allow two diplomas to be printed for Ms. McCain's parents.

Sincerely,

A handwritten signature in black ink, appearing to read "Camina Davis".

The Department of Public Health Sciences recommends a posthumous Bachelors of Science in Public Health to Anneliese McCain. She was enrolled for Fall 2012 in courses and had successfully completed 102 hours of coursework at UNC Charlotte. Ms. McCain was in good standing with the University and the Department of Public Health Sciences.

Very much appreciated would be to provide two diplomas to enable each of her parents to have one.

Thank you for your consideration.
