RE: Recommendation to Award Posthumous Degree

In accordance with faculty policy, undergraduate students with 90 or more earned hours may be recommended by the faculty of the College to receive a posthumous degree. Byoung Lee, a senior majoring in Accounting, was in good academic standing and had 116 earned hours at the time of death on June 1, 2022 with a planned graduation of Spring 2022.

On Friday, August 26, 2022, the faculty of the Belk College of Business voted to recommend the request to award a Posthumous Degree to Byoung Lee.

Therefore, I request that Byoung Lee be posthumously awarded a Bachelor of Science degree, major in Accounting, at the December 2022 commencement.
