TOPIC: Awarding of posthumous degree

DATE: November 27, 2017

This is a request to authorize the awarding of a posthumous degree for Keith E. Black (800265346). Mr. Black was a 33-year old Senior in our Special Education program with 99 earned hours and a GPA of 2.57 when he died on February 10, 2010. If granted, this would be bestowed in his name to his mother. I believe that, although this would not ease the pain of losing a son, this would be greatly appreciated by his mother. I know that this was the case when my husband lost his sister prior to her college graduation. If you agree, I would appreciate it if you could send a follow-up request to the Provost. Leslie Zenk, Assistant to the Provost is aware of this request.
