Dr. Susan Harden
Faculty President
UNC Charlotte

Dear Susan,

The Office of Legal Affairs has proposed revisions to University Policy 102.5, Emeritus Faculty and Senior Academic and Administrative Officers. Please see the attached proposed Policy revisions. The edits clarify the retirement requirement, define "retirement" based on HR's definition, and add an exception for "extraordinary circumstances" in cases of faculty resignation without retirement.

We ask that the Faculty Executive Committee or Faculty Council review the proposed revisions and provide feedback to the Office of Academic Affairs (academicaffairs@uncc.edu) by the end of the spring term.

Sincerely,

A handwritten signature in blue ink that reads 'Alicia L. Bertone'.

Alicia L. Bertone
Provost and Vice Chancellor for Academic Affairs
