MDSK 10-1-09 Addition of 3 Credit Hours to the Graduate Certificate Program in K-12 Foreign Language Education

SUMMARY:

The Departments of Middle, Secondary, and K-12 Education and Languages and Culture Studies propose to add an additional course to the required sequence of courses for all foreign language education candidates who are enrolled in the Graduate Certificate program. Graduate students would be required to take a graduate level course in their respective content area (French, German or Spanish). Although this addition adds 3 more credit hours of instruction to the program, the total number of course hours will only be 18 hours (+ the 3-hour internship). This number is still well below the maximum number of allowed hours in other graduate level initial licensure program.

CATALOGUE COPY:

There are no new courses associated with this proposal. Students will be required to choose a pre-existing graduate level foreign language course offered within the Department of Languages and Culture Studies.
