

H/P/NC Grading for Spring 2021

1) Proposal:

- 1) Deadline for students to make their P/NC choices is moved to after grades are issued;
- 2) The limit on how many courses a student can choose to have the P/NC designation remains set at 3 for the academic year and with a maximum of two per term.
- 3) Use of the H grade remains the same.
- NOTE: this just applies to undergraduate students (graduate students will proceed with the normal grading policy/process for Spring 2021).
