

## **Subcommittee Structure\***

### **Graduate Council**

#### **Standards and Assessment:**

- 1) To consider degree requirements and assess and evaluate existing programs for quality and productivity.
- 2) To evaluate the current policies on student probation and suspension.
- 3) To examine program graduate faculty membership criteria statements.
- 4) *To review all proposals for new programs or substantive changes in older programs and bring recommendations to the full Council.*

2010-2011 Members: Larry Mays, Frada Mozenter, and Lee Gray (Chair)

2011-2012 Members:

#### **Planning:**

- 1) To consider new degree programs, long-term trends, and enrollment management.
- 2) *To consider Council operating procedures and recommend ways to improve the efficiency of its operations.*

2010-2011 Members: Todd Steck, Teresa Scheid/Tony Jackson, Jeanneine Jones (Chair), Shanti Kulkarni

2011-2012 Members:

#### **Course and Curriculum:**

- 1) To evaluate individual course proposals, see how they fit into existing programs, look for impact on or duplication of efforts in other departments, and make sure we stay lean and efficient. *Single course proposals would be reviewed (by electronic submission) and approved by this subcommittee without formal consideration by the entire Council except where there are questions raised by any Council member.*

2010-2011 Members: Stan Schneider/Greg Mixon, Gary Teng, Sunil Erevelles (Chair), Mahnaz Manouchehrabadi

2011-2012 Members:

\* This is the structure under which the Council has operated for several years. These charges/responsibilities were amended in 2007-2008.
